

2012 Bender/Shima Shooting Clinic

Todd Bender, many-time World Champion is coming back to Hartford Gun Club, giving the best skeet shooting training available anywhere in the world. He's coming back for a five day clinic starting Wednesday, May 9th through Sunday, May 13th, 2012. For those of you who would like to train with Todd, you'll find that Todd's clinics are the very best in the business. You'll have a lot of fun, learn a bunch and dramatically improve your game!

Learn from the guy who has more 400x400's and 550x550's in competition than anyone else in the world. He'll straighten out your game by analyzing your stance, vision, hold points, swing and a lot more! (See more at www.bendershima.com). For more information, please contact Robert Coffin (Boz) at theeurocar@aol.com, or call (860)966-2130.

Timing and Scheduling

We will begin the day at 8:30 at Hartford Gun Club. The morning clinic will run from 9:00 am to 1:00 pm. Todd will undoubtedly want to start right at 9:00, so we suggest getting there by 8:30 to go over gun fit and any concerns you may have with your game. The afternoon session will start at 1:00 and run until 5:00.

All time slots will be available on a first come - first served basis.... In an effort to schedule groups effectively, please tell us what your average scores run, how long have you been shooting skeet and which dates you would prefer. It will be helpful for us to keep groups together in order of personal proficiency.

Guns and Ammunition

Please let me know if you will be shooting your own ammunition or the club's so they can manage inventory appropriately. You can shoot whatever gauge you'd like. HOWEVER, if you're built to withstand the recoil of an average 12 gauge after 15-or-so boxes (maybe up to 20), so be it. We suggest clients shoot a 20- or 28 gauge gun - less recoil and a more enjoyable day. You probably want to stay away from a .410, as it tends to be a bit more frustrating (small pattern, etc.) to utilize in a clinic setting...

Location

Mapquest - Hartford Gun Club • 157 South Main Street, East Granby, CT the phone number at the club is 860-658-1614 and your contact there is the Club Manager, Tom DeVito, or the Assistant Manager, Mike. Again, my cell phone is 860-966-2130.

For out-of-towners, accommodations around Bradley International Airport in Windsor Locks, CT should be the closest - about 10 minutes from Hartford Gun Club.

Billing

The fee schedule is \$425.00 per person. The **usual** format is that 2 shooters take the AM clinic, and 2 shooters the PM clinic. OR, you can have a group of 4 take the whole day. If you want Todd for the whole day alone (\$1,700.00), that's possible as well (if you're up to it, as your shoulder will probably go on strike about mid way through.)

Some people take the clinic on one day, take stock in what they've picked up that day, and jump back in the next day. It's pricey, but if you take notes, the education and retention is invaluable. (You WILL be the envy of your fellow club members when you get home...) If you get a chance, see one of Todd's videos before you arrive. It'll help you absorb the clinic material.

A 50% deposit will be required 30 days prior to the clinic date. The balance will be made directly to Todd the day of the shoot - check or cash (I'm pretty sure he still takes cash). The fee for targets is \$4.00 per round. You will be shooting approx. 15 - 20 rounds in the clinic payable to Hartford Gun Club).

Please call me with any questions - Days # 860-693-6383 / cell # 860-966-2130 or e-mail me at theeurocar@aol.com.

Thanks in advance, and we look forward to seeing you for a great day of shooting—

Regards —

Boz Coffin
